## DETAILED ACTION

### *Allowable Subject Matter*

1. Claims 1-20 are allowed.

The following is an examiner's statement of reasons for allowance:

Cook '275 is the closet art of record. Cook '275 shows in Figures 1-3 a hand-cutting tool comprising a planar plate (A,10), a handle (12) affixed to the top surface of the plate, cutting blades (34,35) and a removable and adjustable guide (C,48,52) affixed to the side surface of the plate. Cook '275 lacks an adjustable guide being attached to the bottom surface of planar plate and a cutting blade being affixed to the bottom surface of the planar plate, being of elongated shape and having an abrasive exterior surface.

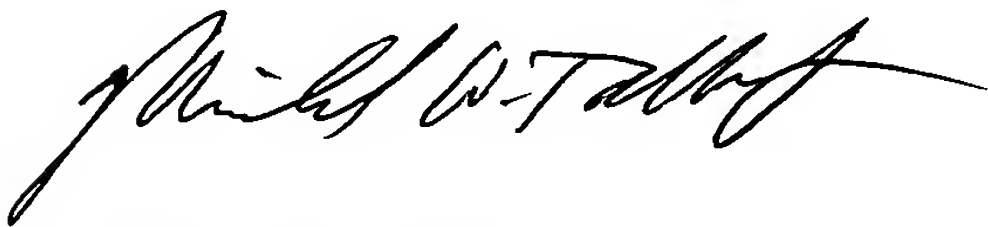

There is suggestion in the prior art to relocate and affix the guide to the bottom surface of the planar plate, thus being attached to the opposite surface of that for the handle. However there is no suggestion to replace the cutting blades of Cook '275 with an elongated groove blade having an exterior abrasive surface and being affixed to the bottom surface of the planar plate, thus on the same surface as that for the guide.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
